Public Service Announcement Script

Have you filed your taxes yet? (:36)

It's that time again. Yep, tax season. Remember, the deadline is April 15 this year. So start now – don't wait.

And, if you think you are going to owe taxes this year, don't put that off either. Start by filing on time and pay what is due, or at least send in as much as you can. It's better to send something than nothing at all! Later you can set up a payment plan with the Department of Revenue. For more information visit in.gov/dor or call 317-232-2240.
